A constructed language (sometimes called a conlang) is a language whose phonology, grammar, and vocabulary are, instead of having developed naturally, consciously devised for communication between intelligent beings, most commonly for use by humanoids. One of the great classics of the women's movement, Man-Made Language opened our eyes to the myriad ways in which the rules and uses of language promote /5.

Reality for both women and men then is seen from the male perspective which, in turn, has shaped language. Now that language describes male reality and not female reality, it can hold the patriarchy in place because it seems like the norm, and even women defend stainlesssteelwirecable.coms: 3.

One of the great classics of the women's movement, Man-Made Language opened our eyes to the myriad ways in which the rules and uses of language promote . If the rules which underlie our language system, our symbolic order, are invalid, then we are daily deceived. Yet the rules for meaning, which are part of language, are not natural; they were not present in the world and merely awaiting discovery by human beings.
