Pop Modernism reconnects the modernist reinvention of everyday life and contemporary artistic practice. What is at stake is not just an antiquarian impulse to rescue forgotten past moments and works, but a desire to establish an archeology of our present art, culture, and stainlesssteelwirecable.com: Juan A. Pop Modernism: Noise and the Reinvention of the Everyday (review) Jan Baetens Leonardo, Volume 41, Number 2, April , pp. (Review) Published by The MIT Press. Pop Modernism reconnects the modernist reinvention of everyday life and contemporary artistic practice. What is at stake is not just an antiquarian impulse to rescue forgotten past moments and works, but a desire to establish an archaeology of our present art, culture, and activism. In many studies the conviction still prevails that pop and modernist are antagonistic and incompatible terms. Seen from the perspective of modernism, popular culture continues to be. Drawing on a wide range of materials, including experimental movies, pop songs, photographs, and well-known poems and paintings, Pop Modernism shows that experimental art in the early twentieth century was centrally concerned with the reinvention of everyday life/5(7).
